Offers so many good features as regards fit, style and wear that we feel we can say without fear of successful contradiction that considering these qualities no such Clothing Bargains have ever been offered to the Clothing buyers of Anderson and the surrounding country.

Local News.

WEDNESDAY, AUG. 9, 1905.

Capt. W. D. Mann, one of Abbeville County's most popular and highly esteemed citizens, died at his home in that county, on the 31st ult., aged 62 years. He had filled many positions of honor and trust in his county and was well known throughout the State. He has many old friends in Anderson county who will regret to hear of his death.

Walter Lark was shot and killed Sunday afternoon at the camp of the Belton Power company on Saluda river by Joe Washington. Both parties are negroes employed in the construction of the power plant at Holliday's Shoals. Nothing is known here of the cause of the difficulty. Washington made his escape immediately after the shooting and has not been captured.

The offices of the Blue Ridge railroad have been moved to Anderson. Greenville regrets to give up the clever officials but Anderson is perhaps the right place for the location of headquarters. We hope the river in regard to the extension of the road will soon be a reality. It would mean much for the Piedmont section and Charleston would be benefited thereby also.—Greenview Mountaineer.

Miss Verda Kay died at the home of her mother, Mrs. Sarah J. Kay, in the city last Saturday afternoon, after an illness of several weeks with fever. On Sunday morning at 11 o'clock the remains were interred in the Salem Churchyard. The deceased was about 29 years of age and a most excellent young lady, whose death is deeply regretted by a wide circle of friends. She was a daughter of the late Daniel Kay, and leaves a devoted mother, two sisters and one brother.

L. T. Armstrong, a prominent farmer of Fountain County, was arrested Saturday on a warrant sworn out by Pearl Armstrong, who it is said, though not alleged in the warrant, is a daughter of the man arrested. The charge upon which he was arrested was for spreading malicious and untrue reports about her and otherwise defaming her character, etc. The case promises to develop a sensation, as Armstrong is said to be quite a wealthy man.

Mr. and Mrs. T. O. Bowen left for Anderson, S. C., Monday, their future home. They have many friends here who will miss them sadly, but wish for them a long and happy life. Mr. Bowen has resided here for the last several years and has been connected with the Seaboard Air Line Railway, and is one of the most efficient railroad men in his line on the whole Seaboard system. Mr. and Mrs. Bowen, as well as their bright and interesting little children, will be missed by all who know them. Elberton's loss is Anderson's gain.—Elberton (Ga.) Star.

W. V. Tims, who lived near Septus, died at the home of his brother-in-law, J. B. Ashley, of Autreville, Thursday night. He was visiting Mr. Ashley and was apparently in the best of health up to the time of his death. He retired the night before without complaining of any feeling of illness, but the next morning he was found dead in the bed. The deceased was about 60 years of age and a Confederate veteran. He is survived by a widow and several children. He was a member of the Baptist church and a good and respected citizen.

Quite a romantic marriage took place in Greenville Monday morning, the contracting parties being well known in Anderson, where they both have recently been visiting—Mr. Frank B. Secrist and Miss Ruth McGee. Mr. Secrist, as Miss Armstrong, was one of the most beautiful young ladies of Piedmont, S. C., and has many friends in this city. Mr. Secrist, who is from Buffalo, N. Y., is a professional baseball player and a young man who makes a friend of everybody whom he comes in contact with. They have the best wishes of an army of friends for a safe voyage on the sea of life.

State Constable R. H. Newell and Deputy Sheriff Scott made a raid on Savannah river Saturday for the purpose of locating an illicit distillery which was said to be in operation on the Carolina side of the river. They discovered the distillery in the house of a man named McGee, but nothing more than this was found except a few empty jugs which smelled strongly of peach brandy. This is the first time in many years that a distillery has been discovered in Anderson county. This county has not been troubled with illicit trade in whiskey as have some of the neighboring counties.

Mrs. Iva Buchanan, wife of James Buchanan, died suddenly at her home in Garvin Township last Saturday morning. She had been in feeble health for two weeks, but she arose on the morning of her death and went through with her regular routine of work, when she suddenly fell and expired in a few minutes. Her physician happened to be present at the time, but was unable to render any relief. Mrs. Buchanan was about 25 years of age, and a consistent member of Lebanon Church. She leaves a husband and two children to cherish her memory. Mrs. Buchanan's father, David George, is well known in this city. He died three years ago in his buggy while on his way home from a visit to this city.

Death of Horace W. Magee.

The Atlanta Journal of the 3rd inst. says: "Only seven months since the death angel came to this home and claimed as its victim the only son, and on Wednesday, July 28th, 1905, the dark-winged angel comes again and now a widow and orphan are left to mourn for a loving husband and an affectionate father."

"Horace W. Magee was born in Anderson, S. C., October 15, 1880. He was the son of C. E. Magee. Beadle, a wife and daughter, he leaves an aged mother and one sister to mourn his loss."

"Just twenty-five years ago he was married to Miss Eliza V. Jolley of Chocoma, Ga. Horace always had a smile for every one he met and his pleasure was to give others pleasure. He was loved by all who knew him. He was a member of the Baptist Church of Atlanta. The funeral services were conducted at the residence, after which his remains were carried to Westview by the order of the Brotherhood of Railway Trainmen, on Wednesday, August 3rd, 1905. He was of which he was a member. He was laid to rest beside his son, who met the same tragic death only seven months before."

The deceased is a nephew of the late O. F. Felt, and has many relatives in this section.

Sullivan Hardware Co. have just received their third full car-load of American Field Fence. The best and cheapest fence on earth. Every farmer should look in the window of the Sullivan Hardware Co. for the low prices at which it is sold.

New Power Company to Be Formed.

Maj. Augustine T. Smythe, of Charleston, and F. G. Brown and R. S. Ligon, of this city, the incorporators, have applied to the Secretary of State for a commission to organize the Hatter's Ford Power company. The capital stock will be \$150,000. The company will develop power for lighting and manufacturing purposes. Hatter's Ford is about 16 miles from the city on Tugaloo river. The projectors estimate that 6,000 horsepower can be developed. The development of this splendid power has been in contemplation for some time, and it means a further stride in the progress and prosperity of Anderson.

At a meeting of the stockholders yesterday the following directors were chosen: Maj. A. T. Smythe, of Charleston; Thos. B. Paine, of Atlanta; F. G. Brown, of Anderson; R. S. Ligon, of J. Fretwell and D. P. McBrayer, of Anderson.

The directors then met and elected officers as follows: R. S. Ligon, President; J. A. Brock, Vice-President; J. C. Green, Secretary.

The Dispensary Election.

The petitions asking for an election on the question of dispensary or no dispensary are now coming in, and at a meeting of the central prohibition committee Friday morning it was found on turning over the lists that the signatures to the petitions already in hand numbered 1,747. There are many more to come in yet, among the number being the petition sent to Pelzer which will have over a hundred signatures. It is expected that more than 2,500 qualified voters will have signed the petition by tomorrow, when all of them will be called in. The election will probably be held during the early part of September, a little later than was originally planned by the committee.

The registration books of the county contain about 14,000 names, but of this number it is estimated that not more than 4,500 are qualified voters. Some names appear on the books as many as four or five times. The list of voters will be purged by a committee before the supervisor is asked to order an election.

The Saluda Baptist Association.

The Saluda Baptist Association met at Mt. Bethel Church, in Martin Township, Tuesday of last week, and continued in session until Thursday. Rev. M. McGee, of Honea Path, was elected moderator and Rev. W. W. Leathers, of Anderson, clerk. C. O. Leathers was elected assistant clerk. The attendance at all the sessions of the Association was unusually large, there being on Wednesday very near 5,000 people present.

On Wednesday afternoon the report on the temperance cause caused a discussion of the dispensary question, which was participated in by several of the delegates. The report, as presented by Rev. W. T. Tate, of Belton, and adopted by the Association, contains the following strong arraignment of the dispensary law:

"Our own beloved State is engaged in the high crime of making drunkards, criminals, widows, orphans, idiots and lunatics. We have made every citizen a party to the crime and dragged the public conscience with the false claim that we are making the liquor business contribute to the education and material advancement of the State. The average amount per capita of the State is \$1.50 annually from the sale of liquor. This is a sum of money which is being used to support a system of public drunkenness. We are unwilling to give up the pitiful sum of blood money. We increase our wealth by sending our children to the State annually \$2,000, for which we expect to return to us mean liquor with which to impoverish and destroy our people. The State puts into the liquor business \$3,500,000 and gets back into the school fund less than one cent of it. What a crime! We continue in this ruinous business? No, we will clean our hands and purify our conscience of this evil."

Reunion of the McGee Family.

The Mount Airy (Ga.) Protectors contain the following account of the recent reunion of the McGee family, of Belton:

An unique idea of holding a family reunion was adopted by the McGee family of Belton, S. C. Tuesday of last week, a party of twenty-five persons gathered at the home of the late Mr. McGee, of Belton, S. C., and the reunion of the McGee family was held. The party was composed of children, grandchildren, great-grandchildren and the original head of the family—W. McGee and his wife, Jane Brook McGee.

The children were ten in number, eight of whom are living. The grand children number 43 and the great-grand children 14. Those descendants now attending the reunion at the Monterey are: Mrs. Charles S. McCullough, Miss Ruth McCullough, Miss V. L. McCullough, of Darlington, S. C.; Mrs. Wickliffe Jackson, of Annulla, Va.; Joel T. Rice, Mrs. J. T. Rice, of Belton, S. C.; Mrs. James McCullough, of Anderson, S. C.; Mrs. Carrie McGee, Miss Ruth McGee, of Belton, S. C.; Mrs. Warren Stebbins, of Belton, S. C.; Mrs. Stebbins, of Birmingham, Ala.; Fred Prior, of Easton, Ga.; Mrs. John Mattison Geer, of Easley, S. C.; Mr. John W. Brook, of Honea Path, S. C.; Mr. William Edward Campbell, of Belton, S. C.; Mrs. William Campbell, of Belton, S. C.; Mrs. Ernest Campbell, of Belton, S. C.; Mrs. George E. McGee, of Belton, S. C.; Mrs. Jane Brook McGee, of Chattanooga, Tenn.

They form a very happy party, enjoying the drives, walks and any other pleasure they can arrange together. The plan was to spend the week in giving each one a vacation of two weeks, and an entire rest if they happen to need it, as well as a change of scene and climate. The plan was a success, and the reunion was a most enjoyable one. Beautiful Woman Attracts Crowd.

The Mi-o-na girl is in town. You will find her as hundreds have already, in Evans Pharmacy window. Miss Kern, of Cincinnati, could not give a personal talk in every town in the country about the remarkable cure Mi-o-na made in her case, so a beautiful reproduction of Mrs. Kern was made and sent to all agents from Maine to California. This Mi-o-na display is one of the most novel and expensive lithographs ever put out, and no one can pass Evans Pharmacy window without being attracted by it. Mrs. Kern's rosy cheeks and plump form are a striking demonstration of the perfect health that comes to those who use Mi-o-na. A select remedy that regulates digestion, strengthens the nervous system, gives refreshing sleep, and drives away the "blues." When you have seen Mrs. Kern in Evans Pharmacy window, go inside and see the same guaranteed to give you with every 50 cent box of Mi-o-na.

Annual Meeting of Survivors' Association.

The 23rd annual meeting of Gist Rifles (Co. D, Hampton Legion Survivors' Association) was held in Spring Park, Williamston, S. C., August 4, 1905, with President R. V. Acker in the chair and Wm. F. Lee, Secretary, opened with prayer by Comrade R. Y. H. Shumate. The roll of survivors being called the following members answered to their names: R. V. Acker, W. H. Acker, W. H. Acker, J. H. Burdine, H. A. Griffin, I. D. Harris, Wm. F. Lee, Wyatt Mattison, W. M. Mayfield, T. F. Taylor and J. V. Whit.

Communications were read from R. R. Hudding, 1st Lieutenant when the company was organized, and the oldest member in the company, being now in his 89th year, and from F. L. Jolly, both expressing their regrets at not being able to attend the meeting and sending best wishes to all the "old boys." A collection was taken up for expenses, and \$3.50 was received which paid all indebtedness, and left a balance of \$2.00 in the treasury. On motion cordial thanks of the association were unanimously voted to the Anderson Printing and Stationery Company for kindness in printing badges and cards for the Association free of charge.

The following comrades met with us, to wit: J. M. Dunlap, Co. K., and J. B. O. Backley, Co. L., Orr's Regt. Rifles; C. B. Tarrant, Co. F. E. H. Acker, J. D. Pinson, J. B. Satterfield, and E. D. Tolison, all of Co. E, Hampton Legion; P. G. Acker and J. P. Cox, Co. G, 2nd Regt. Rifles; R. Y. H. Shumate, Co. B, 2nd Regt. Rifles; Wm. F. Lee, Co. B, 13th S. C. V.; J. F. Feden, Co. B, 1st S. C. Cav.; J. Theodore Smith, Co. K, 6th S. C. Cav.; J. R. Henderson, Co. C, 4th S. C. Cav.; D. B. Bliton, Co. E, 20th Regt. S. C. V.; and B. Mauldin, brother of Maj. W. H. Mauldin, Guy Mauldin, son of Thos. Erwin, the veterans and children of several of the old wives and Mrs. Crymes, widow of Thos. Crymes, and Mrs. Holder, widow of W. W. Holder, together with Mrs. Blackley, of Anderson, and a number of other ladies were present.

The election of officers resulted as follows: R. V. Acker, President; J. V. Whit, 1st Vice-President; W. B. Acker, 2nd Vice-President; W. H. Acker, 3rd Vice-President; Wm. F. Lee, Secretary and Treasurer.

Comrade J. M. Dunlap, Co. K., Orr's Regt. Rifles, gave the Association a cordial invitation to meet with their Regiment at their annual reunion at Honea Path Tuesday and Wednesday, August 8th and 9th, 1905.

The following members of Gist Rifles reported: Comd. D. C. Ingraham, A. J. Bradley and Ludy Blackley. The association was then entertained by Comrade Shumate in a reminiscence of the battle of Gettysburg in 1863.

There being no other business the Association adjourned to meet the first Friday in August, 1906. The ladies present then spread a bountiful and delicious dinner of which all present did all they could to devour it as they were accustomed to do in the days of '61 to '65, but, alas! they were for once out-generated, for they had to retreat with a full stomach and a heart full of abundance of good things left on the table.

Altogether a hearty good-will prevailed and we had a most enjoyable good meeting and with an exchange of well-wishes and a hope of meeting again, the "boys" bid their comrades good-bye and departed for their homes.

Wm. F. Lee, Sec.

— D. C. Lee, of Detroit, Mich., told a remarkable story about the finding of a turtle upon the back of which he carved a map of the battle of Gettysburg. The following is the story: "I was in the army in 1863. Four weeks ago Capt. A. H. Metz, of Gettysburg, found the turtle with inscription and communicated with Mr. Lee. Forty-two years have passed since Lee first carved the turtle, and he says that he will give the proper identification which Metz asks in order to regain possession of the turtle. Lee states that he will exhibit the turtle at all Grand Army reunions."
